Assistant Producer, Assistant Director, Actor, Sound Design

Summary

Creative and rigorous Producer/Director with years of exposure and knowledge of various films, games, and performance arts. Experienced in pre, on-set, and post-production processes as an actor, director, and tech. Capitalizing on leadership, team effort, and communication, a unique and innovative filmmaker with a passion for all aspects of producing and working as a team to deliver a story to the world.

Able to patiently work with all people involved in the production and understand the work quota and effectively dish out resolutions and creative thoughts into the process. Aspiring to get more experience and broaden a better understanding and hone the craft of filmmaking.
